## 1825 SURVEY of HIGH LITTLETON & HALLATROW & SUBSEQUENT EVENTS

### BACKGROUND TO SURVEY AND THE MAKING OF A NEW RATE IN 1825

There had been growing discontent at the unfairness of the assessment of the Poor Rate, which since 1802 had been based on the acreage of land held. After procrastinating for some time, mainly on the grounds of expense, the Vestry at last appointed Mr. T.O. BENNETT, Land Surveyor of Bruton, to survey the parish and recommend a new, more equitable rate. BENNETT set about this task by making copies of the 1799 map of High Littleton (based on William SMITH's map of 1793) and Jeremiah CRUSE's 1802 map of Hallatrow, together with the terrier made in connection with the previous parish survey and rate revaluation of 1802.

Matters were hastened along by John BLINMAN of Hallatrow Farm, who, whilst a member of the Vestry, clearly wasn't convinced that decisions taken at the Vestry would be implemented very quickly. The following letters and minutes track the events. Some scribbled notes, which were apparently used to brief Mr. John HILL, Solicitor of Paulton, who advised the Parish Officers, also summarise the events and provide additional information not otherwise recorded. Where applicable this information is shown below in italics.

#### Minutes of a Vestry held on 16th June 1823.

Present - Jacob MOGG, Chairman, Joseph HARRIS, Jonas WEEKS, George HIGGINS, Edward DOWLING, John BLINMAN and Peter LUDWELL.

It was resolved that a new rate be made for the payment of the poor of the parish and that Mr. GANDELL of the parish of Radstock be employed to value the Parish and that Mr. John BLINMAN of Hallatrow and Mr. George TUCKER of High Littleton be desired to attend Mr. GANDELL in his valuation.

#### Minutes of a Vestry held on 10th September 1823.

Present - Richard LANGFORD, Walter GABY, Tho's JAMES, Tho's C. DUDDEN, George SPREAT and Joseph HARRIS.

The Churchwardens present, having reported that Mr. GANDELL would not undertake the valuation of the Parish for a less sum than Thirty guineas (it having been understood at the Vestry holden on the 16th of June last that such valuation would be made at an expence from 16£ to 20£), Resolved that Mr. GANDELL be not employed in making such valuation.

#### Minutes of a Vestry held on 19th December 1823.

Present - Richard LANGFORD, Tho's JAMES, Walter GABY, Rich'd COX, Joseph HARRIS, Jonas WEEKS, Tho's C. DUDDEN, Step'n HUTTON and John BLINMAN.

At a general Vestry, called for the purpose of reconsidering the present Rate for relief of the Poor, and it appearing to this Vestry, from the report of several Gent'n having competent knowledge of the value of the Farm now rented by Farmer John BLINMAN, the property of William GORE LANGTON Esq., at Hallatrow in this Parish, that about 20 acres of such farm (being upwards of one sixth of the whole) is not above half the value of the remainder of such Farm. Resolved that the Churchwardens and Overseers be directed and they are hereby directed to amend the present Rate, by charging for such 20 acres the sum of one half penny only per acre instead of one penny as now charged, being a deduction of 8/4 from each collection of these Rates and that the remainder of such Farm be charged at one penny per acre.

*A Notice dated 9th June 1825 - presumably from John BLINMAN, warning that he intended to appeal against the rates - was delivered on Monday 13th June at a meeting of the Officers for paying the poor.*

*Notice was read out in Church on Sunday 19th June that a Vestry would be held on Thursday 23rd June to consider the matter.*

*A Vestry was holden on Thursday 23rd June, the proceedings of which were not noted.*

*Present were Mr. HARRIS, Churchwarden, Mr. HUTTON, John BLINMAN, Ed. DOWLING, Ja's WEEKS (the son of the Overseer & who acts for his father), Capt. SCOBELL and Mr. T.C. DUDDEN, Churchwarden.*

*It was agreed by the parishioners attending that Mr. BENNETT should be sent for to survey the parish. Mr. BLINMAN proposed that Mr. HARRIS should go immediately for BENNETT.*

*Friday 24th June - Mr. HARRIS wrote to Mr. BENNETT to attend & survey etc.*

Reply from the Parish Officers to Mr. John BLINMAN.

High Littleton, July 4th 1825.

Sir, We, the undersigned Churchwardens & Overseers of the Parish of High Little (sic) & Tything of Hallatrow, have, on Saturday the 2nd inst., with much astonishment, rec'd a long written paper, purporting to have been sent by Mr. DOWLING (a Solicitor) & signed with your name.  
We do hereby give you the earliest possible notice that, as in consequence of a written paper deliver'd to us by yourself in person, objecting to the Parish assessment as heretofore collected, we did without delay call a Vestry Meeting to consider the same, as at such Meeting on the 23rd day of June we did by the unanimous wish & with your knowledge, consent & desire, you being present thereat, immediately & have for some time actually commenced & are now pursuing the most prompt & legal means for an equal assessment of all property whatsoever within the Parish, and as we shall continue to prosecute the same with all due diligence, that whatever expense may arise from the wanton & unnecessary & extravagant proceeding first spoken of, or which may arise hereafter, should you or any person in your name wantonly & unnecessarily continue the same, will be at your own sole risk & cost, as we the Parish officers do hereby disclaim the same for the reason above specified.

Letter from T.O. BENNETT to Mr. Joseph HARRIS, High Littleton near Old Down.

Bruton, 4th July 1825.

Sir, In reply to your letter of the 3rd inst. I beg to state that I called on Mr. MILES on my way home, who is willing for me to take a sketch of the High Littleton map in his poss'n and to furnish me with a copy of the Terrier. If you will please to apply to Mr. LANGFORD, probably he will have the kindness to accommodate us in a similar way with the Hallatrow Tithing or district, in which case you wo'd perhaps call on Mr. MILES and let both the maps etc. be sent to me from his office. I will write to Mr. MILES on the subject by this post. I can soon make sketches of the two maps and will then attend at High Littleton as early as I possibly can and proceed with the survey.  
I am sir, your very obed. serv't, (Sgd.) T.O. BENNETT.

Letter from DOWLING & MARSHALL, to The Churchwardens and Overseers of the Parish of High Littleton.

Chew Magna, 5th July 1805.

Gent'n, Mr. John BLINMAN has this morning bro't us, as his Solicitors, your Letter to him of yesterday, which under the circumstances of this case we consider to be written in rather an extraordinary style.  
The whole of the Parishioners must be aware that for the last two years and upwards, he has given repeated notices that, unless a new Rate was made, he should appeal to the Sessions, and yet up to this moment, although repeatedly promised, nothing effectual towards that object has been done by them. As to what you have done, or you may now be doing, we are of opinion it is only for the purpose of misleading our client and inducing him to waive his notice of appeal.  
He has no wish to put the Parish to any expences, which you seem so confidently to believe will fall upon him, but he is determined to prosecute his appeal unless the Parish will agree to the following propositions, which are made without prejudice to the question between the Parties:  
1st That you shall enter into a written undertaking that the present Rate shall be quashed by consent and the expenses which our client has already incurred shall be discharged by the Parish.  
2nd That a new Rate shall forthwith be made by 1, 2 or 3 proper Persons to be chosen by the Parishioners at a meeting to be immediately called for that purpose.  
If the Parish should be inclined to consent to these terms, it will be necessary that we should hear from you by 7 o'clock tomorrow evening at the latest. If we do not

1825 SURVEY of HIGH LITTLETON & HALLATROW & SUBSEQUENT EVENTS

hear from you we shall consider that the terms are objected to and the appeal will go on.  
We are your obed't sev'ts, (Sgd.) DOWLING & MARSHALL.

Letter from Tho's MILES to Mr. Joseph HARRIS, High Littleton.

Ston Easton, 6th July 1825.

Sir, I sent to Mr. LANGFORD this Morning for the Map and Survey Book of Hallatrow, to send them to Mr. BENNETT at Bruton by the post, and was informed that you had taken them away a few hours before. I will thank you to send them by the Bearer to me, and also the Map of High Littleton if you have it. Otherwise I will send him my paper Map and the Hallatrow Map, which will answer the purpose. When are you to have a Vestry and Mr. BENNETT to attend?  
I am Sir, your obedient Servant, Tho's MILES.

Letter from the Parish Officers to Mr. John BLINMAN, Hallatrow.

High Littleton, July 6th 1825.

Sir, In reply to your written notice of the 4th inst. to you, that we are in the act of making a new Parish Rate, we yesterday rec'd a letter from Messrs. DOWLING & MARSHALL. In order to arrest the injurious & unnecessary course you are following, so calculated to disturb the harmony of the Parish towards yourself, we think it our duty, not only to reject the unfounded opinions that we are acting for the purpose of misleading you, but again to state explicitly that we have & shall use all possible expedition in making a new just & equal rate of all property within the Parish, & further to add that we consider the old rate is in fact already quashed, & that we shall no more collect by it, & we now a second time give you this unequivocal & legal notice of the same. It will be for you to decide whether you will give most weight to this our written pledge, from which we have neither the power or inclination to retract, or the mean opinion & incorrect assumption which has been entertained of our conduct. We think it but candid to inform you that we have both oral & written proof that, in consequence of your first written notice of appeal dated June 9th & of the determination which we subsequently came to in your presence & with your sanction at a Vestry Meeting, convened as soon after your delivery of the same, as possible, & before the delivery of your second notice of appeal through your solicitors, we took instant steps and had absolutely engaged a surveyor, approved by yourself, to survey & value all property in the Parish, the proof of which facts are open to your reference on application.

We deny that you have at any time previous to June 9th given us legal notice of an appeal, though in consequence of your threats so to do, your rate has for some time been reduced to your full satisfaction. We shall on Sunday next the 10th inst. convene a Vestry, by notice during divine service & to guard against incredulity, either real or pretended, shall at the same time cause to be published that we are in the act of making a new Rate.

In the meantime we will willingly give you or any other Parishioners every information that may be requested. We fear that your solicitors have not been clearly informed on the points now deatal'd (sic) but if, notwithstanding this our written notice & explanation to you personally, you, of yourself or under advice, proceed in virtue of your 2nd notice, to quash a rate which we aver is already quashed, as we shall no more act under it, & to amend a rate which we are in the very act of amending in a legal manner, in consequence of a prior written notice from you, we must repeat such appeal will be wanton & unnecessary & we have therefore no doubt will be determined as being persisted in either for vindictive or sordid objects.

1825 SURVEY of HIGH LITTLETON & HALLATROW & SUBSEQUENT EVENTS

This terrier, which was made by Mr. T.O. BENNETT in 1825, lists all the premises in each tithing in numerical order, using the same map numbers as was used in 1802. The copy transcribed below appears to have been BENNETT's working draft and the "Remarks" column contained pencil notes, showing his workings and queries to be checked out. At the end is a note of a few omissions. The transcriber has adjusted the measure to take account of these, so that the corrected totals now tally with the accepted acreage of each tithing.

Minutes of a Vestry held on 31st December 1825.

Present - Rev'd H.H. MOGG, Richard LANGFORD Esq., Capt. Geo. Treweeke SCOBELL, R.N., Tho's C. DUDDEN, Step'n HUTTON, Joseph HARRIS and Mr. TUCKER sen'r.

At a General Vestry assembled respecting the collection of the new Poor's Rate, the Overseers are instructed to collect the same in conformity with the directions of the General Vestry held on that subject on the 28th of October last.

*In the event, the Vestry resolved not to exonerate cottages occupied by poor persons and accordingly the actual rate made was different from the above in a number of respects.*

1825 SURVEY of HIGH LITTLETON & HALLATROW & SUBSEQUENT EVENTS

Minutes of a Vestry held on 27th January 1826.

Present - Capt. Geo. Treweeke SCOBELL, Joseph HARRIS, Churchwarden, Jonas WEEKS, Tho's C. DUDDEN, Step'n HUTTON and John DANDO jun'r.

At a Gen'l Vestry held respecting the expediency of collecting the Poor's Rate from the poorer occupiers of cottages in the parish, it was ordered that no occupier of a cottage (the same not being the property of such occupier), being a day labourer or in indigent circumstances, be required to pay any Parish assessments until further direction, but that it shall be decided at a future Vestry, whether it is not expedient and proper for the several Proprietors of such Cottages to pay the assessments for the same.

*The following list of occupiers not subjected to the Rates proposed by BENNETT has been deduced by the transcriber. Virtually all these were poor persons, who were exonerated in accordance with the Vestry Minutes of 27th January 1826. However, one or two may have been omitted from the Collection of Rates in error.*

Mr. BENNETT's charge for the expenses attending his late survey of the parish, amounting to £65 11 5, being submitted, Resolved that, as it appears Mr. BENNETT has signified in writing his readiness to submit his Bill to Mr. LANGFORD & to abide by his decision, that no money be paid on the same until Mr. LANGFORD has given his opinion on the charge. [Richard LANGFORD died on 4th May 1826]

Letter from T.O. BENNETT to Mr. HARRIS, High Littleton near Temple Cloud, Somerset.

Bruton, 19th May 1826.

Dear Sir, Since my return home I have inspected the survey of Hallatrow by comparing the parts of the survey delivered to the Parish by me, with the copy of the original Terrier with which I was furnished by the late Mr. LANGFORD, & the result of my examination convinces me that Mr. Tho's JAMES has been rather premature in asserting that I had made mistakes, & that the total quantity contained in my rate was four acres less than by the original survey.

The fact appears to be no such thing - the quantities agree to a fraction! As I felt that no time or trouble were spared by me in getting up the particulars with all possible accuracy, I did wonder at what Mr. JAMES stated, & I must now express that I think blame sho'd not have been alleged by him quite so hastily. If there be, in any case, error with me, I will attend, for nothing, at High Littleton to set it right, & you'll do me a favor by presenting this letter at your next Vestry.

I am, dear Sir, in haste, your very obed. serv't, (Sgd.) T.O. BENNETT.

Mr. HARRIS

Minutes of a Vestry held on 31st August 1826.

Present - Tho's C. DUDDEN, Churchwarden, Chairman, Joseph HARRIS, Churchwarden, Step'n HUTTON, James ROSSITER, Overseer, Mr. MILES on behalf of Mr. BURDETT, Rich'd COX, Jonas WEEKS, Charles TUCKER, George SPREAT, Peter LUDWELL, Overseer and W'm WILLIAMS.

It was unanimously Resolved that the Overseers immediately write to Mr. T.O. BENNETT, Land Surveyor, offering him the sum of £50 in full discharge of his Bill delivered amounting to £65 11 5.

It was also unanimously Resolved that Mr. MILES's Bill delivered, respecting Mr. BENNETT's Survey, amounting to £3 5 2, be immediately paid by the Overseers.

1825 SURVEY of HIGH LITTLETON & HALLATROW & SUBSEQUENT EVENTS

Letter from T.O. BENNETT to Mr. HARRIS, High Littleton near Temple Cloud.

Bruton, 13th Sept. 1826.

Sir, In reply to your letter of the 11th inst., I beg to observe that I certainly cannot allow so great a blot to be cast upon my reputation as a man of business, as co'd not fail to result from my acceptance of 50£ in discharge of a bill sent in by me of 65£. I am sorry that the am't of my bill against the parish of High Littleton has created dissatisfaction, but convinced as I thoroughly am that the charges are not only fair, but moderate, I cannot consent to any abatement. It has now, I conceive, become my duty to invite a reference of the account to some one capable of estimating the value of the services performed by me, and since it appears to be the op'n of the Parish that I have made an exorbitant charge. I think the only way to set my name right in my professional capacity, & at the same time to satisfy your minds whether or not I have attempted to impose on you, will be to lay the acc't before a reputable surveyor: the choice of him I leave to your goodselves, presuming that you will select a competent person.

The mere making of the rate for the Parish had little to do with the extent of my services - I had first to make copies of the old maps and survey books and then to revise and correct them according to the present state of the property & the altered ownership and occupation of it - Then it was desired that I sho'd keep the two Tithings quite distinct, occasioning no little extra trouble, as I had to make two alphabetical accounts, amounting in fact to two distinct rates. And in arriving at a proper knowledge abo't the Tithes a good deal of time was employed. But again, and what is more to the point, have I exceeded what I stated wo'd be my terms at the outset? - 2 Gs. a day for the time employed, including the Exp's of my Horse and self - It appears on the face of the acc't that I have charged less in several instances.

For making the Timsbury Rate (an adjoining Parish & much less in acreage), where I had no map to make or copy, only one alphabetical acc't, and none of the peculiar circumstances which I had to meet at H. Littleton, I rec'd 46£ odd for my services, and comparing with Timsbury (& I sho'd be sorry if I had made an overcharge there), I am very certain that High Littleton has had more in value of my labor than the difference between 46£ and 65£.

I am sorry to have troubled you with so long a letter and will only add that I am ready to submit to the decision of any fair man.

I remain Sir, your very obed. serv't, (Sgd.) T.O. BENNETT.

Mr. Joseph HARRIS, High Littleton

Minutes of a Vestry held on 16th November 1826.

Present - Capt. G.T. SCOBELL, Tho's MILES, James ROSSITER, Tho's C. DUDDEN, Joseph HARRIS, Ric'd HUTTON, Jonas WEEKS and Peter LUDWELL.

The charge of Mr. BENNETT, Land Surveyor, for his late survey of the Parish, was taken into consideration. Under all the circumstances of the case & under an impression that Mr. BENNETT will throw back part of the amount, the Vestry now determine that the proper Parish Officers shall, as soon as they can possibly collect the money, liquidate his Bill, but the Vestry are unanimously of opinion that the charge of £65 11 5 made by Mr. BENNETT for his Survey of this Parish, consisting of about 1,200 acres & which charge does not include either measuring or mapping the Parish, is considerably greater than in their opinion is reasonable.

1825 SURVEY of HIGH LITTLETON & HALLATROW & SUBSEQUENT EVENTS

1838 SURVEY

*Following the formation of Clutton Union in 1836, it again became necessary to make a new parish survey.*

It was moved by Mr. John BLINMAN and seconded by Mr. Charles HALL, that a new Valuation and Rate be made for this Parish, for the purposes of the Parochial Assessment Act. Upon putting the question, the following Votes were given:

|  | Votes     |
|--|-----------|

| Charles HALL   | 6         |
| John BEAK  | 6         |

It was resolved that Mr. Henry BLINMAN be employed to make a copy of the above Reference Book, omitting the Value and amount of Poor Rate, but classifying the Occupations as they stand at present, and that the fair charge he may make for the same be added to the expence of the new Valuation and be paid as part of the Expences thereof.

It was resolved that the Parish Officers do write letters to Mr. Cha's WAINWRIGHT, Surveyor of Shepton, Mr. John Millard TUCKER, Surveyor of Bristol and Mr. G.C. ASHMEAD of Bristol and Mr. Saunders PEPPER of Birmingham, requesting to be informed at what sum they will make the new Valuation and Poor's Rate, upon the principles before mentioned, including every expence - the whole Parish containing 1257a. The Map of 1825 and Reference Book were handed to Mr. Henry BLINMAN for his making the necessary Copy for the Surveyor agreed on at the last Vestry.

The Guardian, Mr. WILLIAMS, was authorized to apply to the Board of Guardians for the necessary orders to affect the intended Survey and Valuation and for authority to defray the Expences thereof, not exceeding Thirty Guineas, Mr. Henry BLINMAN engaging to make the Copy for Four Pounds.

### Minutes of a General Vestry held on 10th May 1838.

Present - Capt'n G.T. SCOBELL, Chairman, J. Usticke SCOBELL Esq., W'm WILLIAMS, Guardian, John BLINMAN, Churchwarden, Jonas WEEKS and Edward DOWLING.

The meeting was to consider of the propriety of revoking a Resolution of a former Vestry, for recommending to the Board of Guardians the employment of Mr. Cha's WAINWRIGHT to make a new Survey and Valuation of this Parish and a Poor Rate founded thereon.

It was Moved by Mr. Edward DOWLING, seconded by Mr. Jonas WEEKS and Carried Unanimously, that there is no satisfactory reason for believing that Mr. WAINWRIGHT, as was supposed, has seen the Reference Book made by Mr. T.O. BENNETT in 1825, contrary to the intentions of the Parishioners when they agreed to recommend him to the Board of Guardians to make the intended new Survey, Valuation and Poor Rate, and that Mr. WILLIAMS the Guardian be requested to move the Board that (the Poor Law Commissioners having confirmed his appointment) Mr. WAINWRIGHT be desired to attend at the Board to execute the necessary Contract, and at the same time to attend a Parish Vestry here to receive and give any necessary explanations as to the Survey etc., and that he (Mr. WAINWRIGHT) write to the Parish Officers of High Littleton with as long a notice as he can of the day he can attend such Vestry.

### Minutes of a General Vestry held on 16th November 1838.

Present - John BLINMAN, Churchwarden, in the chair, Jno. BEAK, Churchwarden, Jonas WEEKS and W'm WILLIAMS, Guardian.

The new Survey, Valuation and Poor Rate made by Mr. WAINWRIGHT were produced and considered, when it was Resolved Unanimously that Mr. WILLIAMS return same to Mr. WAINWRIGHT, requesting him to make the Poor Rate correct by filling in the two columns for the No. of Votes of Occupiers and Owners, agreeably to Section 40 of the Poor Law Amendment Act of 4 & 5 W'm 4 c.76 and by inserting in the 6th column of the Poor Rate, the description of the Buildings (namely whether Dwelling House, Outhouse etc.) from the 1st column of the Survey or Valuation Book, and also requesting him to return the Terrier prepared by Henry BLINMAN.

It was also Resolved Unanimously that, subject to the above formal alterations, the new Poor Rate be adopted. [*Unfortunately no copy of WAINWRIGHT's Survey survives.*]

The new Poor Rate made the 29th January last, on the basis of Mr. WAINWRIGHT's late Survey, was gone thro' with a view of ascertaining what Occupiers of Cottages could be struck off the same, on account of Poverty, when a List of 64 in Number was agreed on and the Overseer authorized to give his consent to the Magistrates exempting them, and a further list of 21 of queried Names was agreed on, all or any of which the Overseer was authorized to add to the List of 64 if, on enquiring into the circumstances and Families of the Persons, he considered them entitled to be added.
