**INDEX of NAMES**

**NOTE**

Spellings have been standardised.

Names in the index may be fuller than appear in the actual text.

"Local knowledge" has been used to identify some people in the text.

Some surnames have evolved over the years e.g.

STICKLER to STICKLAND and WHITEHEAD to WHITING.

Persons with Aliases are indexed under both names.

A particular name in the index may appear several times on the same page of text.

An entry in the index may represent more than one person of the same name.
